Information on logistics at KONGRESSHALLE

Designers' Open²⁰¹⁸

26
27
28 Oct

Delivery/Arrival

If you are travelling **by car or transporter**, we recommend that you use the Zoo car park across from the main entrance of KONGRESSHALLE. Here, you can park your car around the clock in one of the 1,375 parking spaces (entrance height: 2 metres).

Parking fees: up to 4 hours, EUR 1.00 per hour started
 from the 5th hour on (day ticket) EUR 6.00

Between the car park and KONGRESSHALLE there is a busy main street, which you can cross at the traffic light. Remember to bring any equipment you may need to transport your products safely and well across the street.

Please note: (cf. Technical Guidelines for KONGRESSHALLE, Clause 6.2) Loads may be transported with hand-operated equipment (e.g. pallet jacks). Pallet jacks and trolleys with wheels made of hard plastic or metal may not be rolled across natural stone or parquet flooring.

If stand construction materials or exhibits are to be delivered with a lorry, or if it is absolutely necessary for the car or transporter to pull up to the delivery zone (ramp) directly, then you will need to book a time slot for this during the official set-up and dismantling times for Designers' Open 2018. In this case, please send an e-mail stating your preferred dates/times for delivery and collection to the following e-mail address: info@designersopen.de. The Designers' Open team coordinates all time slots and will arrange binding times with you.

Please note: (cf. Technical Guidelines for KONGRESSHALLE, Clause 6.2). Motorised equipment, such as forklifts, may not be operated in the building.

**It is not allowed to stop or park on the walkway in front of KONGRESSHALLE (public space).
This will be enforced by the Leipzig municipal public order office.**

By the way: Exhibitor passes entitle you to travel for free to and from KONGRESSHALLE am Zoo with public transportation for the duration of Designers' Open and in the tariff zones: 110, 151, 156, 162, 163, 168, 210, 225. The tram line 12 in the direction Gohlis-Nord stops directly in front of KONGRESSHALLE (Zoo station).

Building information

Please note the following building information, particularly if you intend to have **large exhibits or elements** delivered:

Ramp:	Width 3.00 m, Height 1.22 m (lower edge floor), delivery by lorry max. 7.5t incl. LWB
Door delivery zone:	Width 1.60 m, Height 2.10 m
Goods lift delivery zone:	Width 1.20 m, Length 1.70 m, Height 2.10 m, Bearing load 1260 kg
Doors:	Standard doors inside of the building, Width 1.60 m, Height 2.10 m

Storage facilities

There are **no storage facilities** at KONGRESSHALLE am Zoo, including for empty packaging. Should you need storage, you may request an offer from DHL using the form G1 in the Online Service Centre (OSC), or you may refer directly to our service provider:
DHL, Trade Fairs & Events GmbH: tel. +49 341 678-7244, fairs.lej@dhl.com

Should you intend to **send deliveries directly** to KONGRESSHALLE in advance we ask you to please note the information leaflet "Deliveries to KONGRESSHALLE am Zoo Leipzig".
